REACT.JS | NEXT.JS | TYPESCRIPT | JAVASCRIPT | FRONTEND ARCHITECTURE | UI ENGINEERING

Frontend Developer with 4+ years of experience building scalable web applications using React.js, Next.js, TypeScript, and modern JavaScript. Experienced in frontend architecture, performance optimization, reusable component design, API integration, and leading development teams. Proven track record of delivering high-quality, responsive, and maintainable applications in Agile environments.

EXPERIENCE

Celcius Logistics Solutions Private Limited

Apr 2024 – Present

Front-End Developer | React.js, TypeScript, JavaScript, UI

- Developed scalable logistics management applications using React.js and TypeScript, building reusable UI components and integrating REST APIs.
- Improved application performance by 35% through code splitting, lazy loading, memoization, and frontend optimization techniques.
- Collaborated with cross-functional teams, conducted code reviews, mentored junior developers, and contributed to frontend architecture decisions.

HK Infosoft

Jan 2022 – March 2024

Front-End Developer & UI Team Lead | React.js, TypeScript, JavaScript, UI

- Developed responsive web applications using React.js, Next.js, and TypeScript, with reusable component architecture and Redux state management.
- Transformed Figma designs into pixel-perfect, responsive user interfaces while optimizing performance and load times.
- Led frontend development initiatives and collaborated with cross-functional teams in Agile environments.

Artoon Solution Private Limited

Dec 2020 – Jan 2022

Design Team Lead & Junior React Developer | React.js, TypeScript, JavaScript, UI/UX

- Led UI design initiatives and contributed to frontend implementation using React.js.
- Collaborated with clients and stakeholders to gather requirements and deliver tailored solutions.
- Managed project timelines and ensured high-quality deliverables within deadlines.
- Assisted in transitioning traditional UI workflows into modern frontend development practices.

Echo Innovate IT Private Limited

Aug 2015 – Nov 2020

Web Designer → Design Team Lead | HTML5, CSS3, Bootstrap, Tailwind, jQuery, WordPress, Photoshop, Figma

- Designed and developed responsive websites and admin panels using HTML5, CSS3, SCSS, Bootstrap, and JS.
- Converted PSD, Figma, and Adobe XD designs into responsive, user-friendly web interfaces.
- Collaborated with development teams to enhance usability, consistency, and overall user experience.

TECHNICAL SKILLS

- **Frontend Technologies** : React 18+, Next.js, JavaScript (ES6+), TypeScript, HTML5, CSS3, SCSS
- **State Management & Architecture** : Redux Toolkit, Context API, Component-Based Architecture
- **UI Frameworks & Styling** : Tailwind CSS, Bootstrap, Material UI, Ant Design, Responsive Design
- **Tools & Platforms** : Git, GitHub, BitBucket, Jira, Vite
- **Testing & APIs** : Jest, Rest APIs, Axios, JSON
- **Design & Collaboration** : FIGMA, Adobe XD, Photoshop

PORTFOLIO

AmpliTeach

Frontend Developer | React.js, JavaScript, UI Development | <https://about.ampliteach.com>

- Developed role-based dashboards for students, teachers, parents, and administrators.
- Built reusable frontend components and responsive user interfaces.
- Integrated APIs and optimized frontend workflows for better user experience.

Skill Up with USC Online

Frontend Developer | React.js, TypeScript | <https://skillup.online.usc.edu>

- Developed scalable frontend modules for an online learning platform.
- Implemented responsive UI components and optimized cross-browser compatibility.
- Collaborated with design and backend teams in Agile development cycles.

HodlPerks

Frontend Developer | React.js, TypeScript, UI Development | <https://hodlperks.com>

- Developed NFT utility platform interfaces with modern responsive UI architecture.
- Built interactive dashboards and integrated external APIs.
- Improved application maintainability through reusable component structures.
